

November 3 (Thursday)

November 3 (Thursday)						
		Room 306+307 - 250석 한미세션	Room 212+213 - 250석 한미생 세션	Room 211 - 120석 대바 세션	Room 210 - 120석 한국세션	Room 209 - 100석
08:00-08:50	Registration Poster Session 1 & Exhibition	Opening Ceremony (Room 212+213)				
08:50-09:00						
09:00-11:00		S1 Yeast Dynamics from Chromatin to Cell Fate	S2 Genome-level researches in microbiology	S3 Virus-host interplay	S4 Ecology and taxonomy of fungi	
11:00-11:40		Plenary Lecture 1 Luis Enjuanes (Spanish National Centre for Biotechnology, Spain) (Room 212+213)				
11:40~12:20		Plenary Lecture 2 Andrew D. Yurochko (Louisiana State University Health Sciences Center, USA) (Room 212+213)				
12:20-12:50		MSK GM (12:20~12:50)			KSMY GM (12:20~12:50)	
12:50-13:30		Poster Presentation 1 (12:20~13:30)				
13:30-14:15		Lunch				
14:15-16:15		Plenary Lecture 3 Sa-Ouk Kang (Seoul National University, Korea), (Room 306+307)				
16:15-18:15		S5 Structural Insight into Bacterial Protein Regulations	S6 Recent Trends in enzyme engineering and biotransformation	S7 Viral diagnostics	S8 Applied and molecular biology of fungi	YS1 Young Scientist I
18:15-19:00		S9 Current trends of microbiology in Agriculture	S10 Commercial Infra for Korean Starter Culture in Food Industry	S11 Oncolytic viruses and gene therapy	S12 Kor-Japan Joint Symposium	YS2 Young Scientist II
19:00-21:00		Plenary Lecture 4 Eric A. Johnson (University of Wisconsin-Madin, USA), (Room 306+307)				
	Welcome Reception (3층 Grand Ballroom B)					

November 4 (Friday)

November 4 (Friday)						
		Room 306+307	Room 212+213	Room 211 - 120석 대미 세션	Room 210	Room 209
08:00-09:00	Registration Poster Session 2 & Exhibition					
09:00-11:00		S13 Viral Ecology via Metagenomic Approach	S14 Infectious disease mechanisms and diagnostic technologies	S15 Host-pathogen interaction	YS3 Young Scientist III	
11:00-11:45		Plenary Lecture 5 Yasuhiko Horiguchi (Osaka University, Japan), (Room 212+213)				
11:45-12:15		KSM GM (11:45~12:15)				
12:15-13:00		Poster Presentation 2 (11:45~13:00)				
13:00-15:00		Lunch				
15:00-15:45		S16 Bacteriology and Virulence of Pathogenic Bacteria	S17 미래부-연구재단 기초연구사업포럼	S18 Molecular basis of Infection	S19 KNMRRRC Session	YS4 Young Scientist IV
15:45-17:45		Plenary Lecture 6 Stephen A. Lerner (Wayne State University, USA), (Room 212+213)				
17:45-18:00			S20 Role of microbes in the intestinal health and disease	S21 Immune response to micro-organism		
		Closing Ceremony (Room 212+213)
